

# Recall Hits LM-SV District; Local Groups Deplore Action

Petitions will be circulating in the La Mesa-Spring Valley School District this coming week to recall three members of the board of trustees, according to John W. Teague, an insurance man, acting chairman for the recall group.

Approximately 500 petitions are being printed. These petitions will be divided into three separate groups; one for the recall of Dr. Cyril Padfield, president of the board; one for Dr. William McCandless, M.D.; and the third for Victor Walton, an attorney.

Teague said 7,000 "good" names must be secured for the recall, or 20 per cent of the registered voters in the district. Reason for the three separate petitions, Teague said, "is to allow a signer to point out an individual board member or all three."

Asked if his group has any person or persons to succeed the present board members should they be recalled, he said, "Yes." He said he has had nu-

merous phone calls from people willing to run for a seat on the board, and many willing to circulate petitions.

## Indoctrination Charged

Reason for the recall, according to the recall group, is that there have been attempts by Dr. McCandless and Walton to force into the district's educational program materials and texts which would politically indoctrinate school children. Also that there has been harassment of teachers, administrators, parent-teacher associations and parents, themselves.

One administrator, who asked not to be identified, said that there might be a mass resignation of administrators from the district. Superintendent Glenn Murdock said he had heard of such a rumor but knew nothing of such concrete action. Dr. David Pascoe, assistant superintendent, replied the same.

Regarding the recall, Dr. Padfield pointed out that the recall group is the same one that has been "harassing the school

board since the recall election of 1964."

Padfield said "it is a matter of a minority refusing to accept the fact that we're living in a democracy and a majority rule."

Board member Walton said "It is rather obvious that there is a difference in philosophy between members of the board. Not only in education, but in economics and politics insofar as they affect school matters."

Walton said also, that "If there is a recall election, it will be one way of resolving the matters at the polls."

## Local Groups

Two local organizations, interested in children's welfare, had this to say about the recall.

The Parents' Committee on Education, Spring Valley chapter, drafted a statement of its position at a meeting Jan. 11 and adopted it for release to the public as follows:

"We of the Parents' Committee on Education, believe in one-district unification. Our prime reason for ex-

istence is to work for this."

"We feel that the past recall action was undertaken in haste and with questionable motives."

"That the La Mesa-Spring Valley School District has suffered from the controversy and dislocation resulting from the recall, is undeniable."

We have, on good authority, information that other groups are preparing to undertake another recall election."

"We find this deplorable and regrettable."

"We, therefore, call upon all civic-minded and responsible groups in the district, to publicly reject recall as a solution to the district's problems."

## CEBE View

The other organization, "Citizens for Emphasis on Basic Education," said:

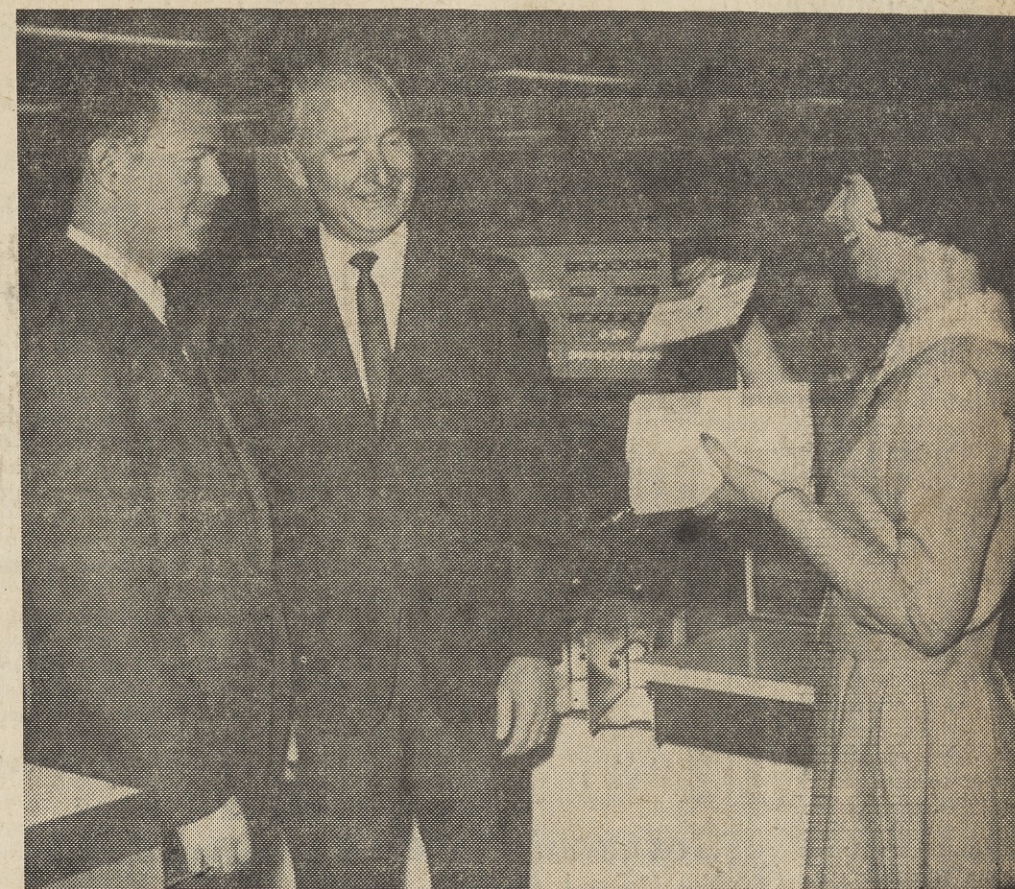

"Concerning the rumors of an impending effort to recall LMSV School Board Trustees, Dr. C. J. Padfield, Dr. Wil-

liam McCandless and Victor Walton, the Citizens for Emphasis on Basic Education would support these majority members."

"However, we feel that any such recall activity would not succeed and would have as its ultimate goal, not the makeup of the school board, but rather the important issue of unification."

"It seems patently obvious that any recall activity would simply be an agitational stratagem to divide, confuse and demoralize the people of the school district. As part of that strategy, we believe it will be only a matter of time until some ostensibly independent group will come forward wringing its hands, deploring the recall move, and advocating unification of the school district as the only means of restoring peace and tranquility to the community."

"Sham and Shame."  
Mrs. F. L. Wade,  
president.

## The Schooling of a Kidnaper

Leonard K. Firestone has rekindled faith in California law enforcement. When the two would-be kidnappers charged into Firestone's Beverly Hills home last week with guns drawn, Los Angeles cops, who had been tipped off, blasted them into Kingdom come.

Immediately, bleeding hearts registered complaints that the culprits weren't given a fair chance. Most complaints came because one of the would-be kidnappers was the tipster and the cops shot him stone cold dead. Some sort of immunity was implied, we suppose, but who is going to believe a hoodlum with a long criminal record when he charges into a trap with his gun drawn? It was later discovered that his life was at stake either way. His hoodlum partner would have shot him if he failed to do his part. The cops shot him because he had their lives in the trigger of his drawn gun. The cops did right!

George Scalla, the hoodlum who had given the tip to police, had been instructed to drop to the floor as soon as he entered the house. This would have left the other kidnaper an open target for police guns. Scalla couldn't even be trusted to do as he was told by police.

So they both charged in with guns drawn and the lawmen did what they should have done anytime while facing an armed, dangerous lawbreaker.

Conversely, many citizens had their faith shaken last year when it appeared that the police had lost their ability to control lawbreakers. It was the test called Watts.

At that time, any positive and effective action on the part of the lawmen was met with screams that the police were brutal. Frustrated cops were faced with proliferating lawbreaking while being denied the use of "all effective means" to put down the Watts' uprising.

It is surprising that scores of police were not killed under this "harm-not" policy. The policy forced the state to send in guards to what the police could have done if there had been less bleeding-heart interference.

Firestone's contribution to law enforcement is welcomed. Shooting gun-drawn lawbreakers is not a matter of choice by officers. It is an obligation!

Firestone gave us a rewarding day for law and order. Killing the two kidnappers gave notice to all lawbreakers that they are again facing as many hazards as the law officers do.

Who the heck came up with the philosophy that a cop must let his antagonist fire first? Whoever it was has been seeing to many old-time western movies on television.

If any police department has that as part of its operation the time is right for changing the rules that suggest lawbreakers are to be protected and that lawmen get shot at before they may shoot back.

## Free Press is a Hometown Paper

The freest press in our land today is the small, independent weekly newspaper opines the editor of the Clermont (Florida) South Lakes Press.

It is free because it is one of the last survivors of an age of individualists. It is too small to be noticed a great deal by the mighty powers that mold public opinion, the editor says. It exists by the grace of the Almighty and the goodwill of its advertisers. Its owners and publishers are too stubborn to be bought, and it doesn't give the mighty newspaper empires enough competition to earn their enmity, he adds.

Editorially the weekly newspaper preaches "Trade at home," "Support your local chamber of commerce" and "Go to church on Sunday." But it can and does jump on crooked politicians and corrupt government and it can wax eloquent over the questions of patriotism and motherhood. Now and then it castigates the mayor or the governor of the state, and the President and the Supreme Court of the United States when it feels they deserve censure. Its personnel work long hours, more or less cheerfully accepting torments of abuse from disgruntled readers.

But it is a free press. Perhaps it is the kind of freedom that comes when you no longer have anything more to lose. But it is the most free journalistic freedom in the world. Too insignificant for the pressure groups to bother with, it wields cumulative power that is one of the tremendous forces in our nation today.

But like many of our blessings, it is taken for granted.

## Delegation OKs Otay Mesa For Correctional Site

The San Diego County Legislative Delegation recommended Saturday to Gov. Pat Brown that Otay Mesa be chosen for the site of the State Correctional facility, according to Assemblyman Richard Donovan.

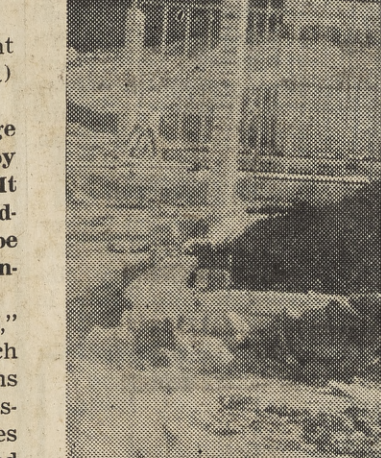

The State Corrections Department has considered 60 other locations over a period of two years.

The recommendation goes to the Assembly for action with the request that property be acquired and the funds appropriated for development of the Otay Mesa property.

Dr. George Brown of El Cajon received the 1966 Honorary Life Membership to the Foot-hills Secondary Council PTA Wednesday at a potluck luncheon at Nan Couts Cottage.

Brown, whose leadership led to the building of the El Cajon Valley Stadium at Granite Hills High, has also served on the board of the East County Chapter of Retarded Children's Association and aided in the fund drive which moved "Angels Unaware" to its present facility.

The luncheon was under the supervision of Mrs. Joseph Brown Jr. along with hospital-ity chairmen from Lemon Grove, Palm Avenue, Spring Valley Junior High, and Mount Miguel High PTAs.

**NEW SHOPPING CENTER** — Workmen have been busy this week on a construction site at the corner of Broadway and Sweetwater Rd., trying to complete framing on what will be a new shopping center containing six buildings. The finishing date was originally set for the latter part of March but construction was halted for close to six weeks due to the winter rains, according to owner Bob Hel-muth, a La Jolla builder. ## Kilcrease To Speak At Men's Club

Arthur Kilcrease, under sheriff of San Diego County, will speak on the phases of administering of the County Sheriff's Department Friday at the noon luncheon meeting of the Lemon Grove Men's Club in Michael's Restaurant.

Last week's program was presented by Wally Dorman, a local attorney.

He presented a talk accompanied with slides on "Brazil: The Country of the Future."

Dorman and his wife spent one month in Brazil during the past summer, touring the country with their daughter Nora, who served with the Peace Corps in Brazil for 21 months.

## Third Felony Conviction Brings 5 Years' Probation

SAN DIEGO (CNA) — A Spring Valley man, 28, who has been convicted of two felonies, has been placed on five years' probation and fined \$500 for possession of marijuana.

He is Larry Patrick Hollis, 9685 La Mar St., an apprentice sheet metal worker who is getting better than average grades at Mesa College and will earn his journeyman's card in September.

Under California law, a person with two previous felony convictions is not eligible for probation when convicted of a third felony, unless the court finds it "an exceptional case."

Superior Court Judge Verne O. Warner said he found it hard

to believe Hollis' story of lapse of memory regarding his possession of marijuana. But, the judge said, in view of Hollis' steady advancement since 1961 and his current good grades and good work record, he found this "an exceptional case."

Hollis was arrested Aug. 14 by El Cajon Police, who him lying drunk in the grass at 317 Jamacha Road. Officers found a plastic bag wrapped in a paper towel, and containing 21 grams of marijuana and some seeds in Hollis' pocket.

Hollis said he had a fight with his wife, went to the Coral Inn in Lemon Grove and drank a lot of beer. He claimed he blacked out and could recall nothing about the marijuana.

He was found guilty by a Superior Court jury.

## Over 30 Evening Classes Slated For Mount Miguel Adult School

Over 30 evening classes are scheduled for Mount Miguel and over 200 day or evening classes

are available to adults at other schools and locations throughout the Grossmont District, beginning Jan. 24.

These classes are part of California's Public Adult Education Program and the fee is only \$1 per course plus the cost of books. Everyone 18 years of age or older is eligible to enroll.

The amount of previous education a person has had does not affect eligibility—whether that be elementary, high school, or college. There are basic education classes available for adults who have a limited development, salesmanship, typing or no previous schooling. Enrollment is at the classroom on the first class night. Class time is 7 to 9:30 p.m.

Class schedules are available at the post offices and libraries in the Grossmont District. Further information may be obtained by calling the Mount Miguel Adult School, 469-6169.

Some of the subjects included on the Spring Schedule are: art, civil service review, citizenship, English, income tax, leadership training, mathematics, office machines, psychology, reading and Spanish.

## Young Republicans Speaker Says Reds Led L.A. Riots

The regular monthly meeting of the Lemon Grove-Spring Valley Young Republicans was held Monday evening at the Lemon Grove Medical Group building.

During the initial refreshment period the members heard Senator Dirksen and Congressman Ford give the GOP's message to the nation on the state of the union on radio.

Report on the County YR board meeting, on Jan. 11 revealed that a local college student, Neal Lein, was elected county chairman. The county has now increased its representation on the state board to 12 delegates due to increased membership in the county.

John Sadler, from a local TACT group ("Truth About Civil Turmoil") spoke about the dangerous increasing civil strife in our country and presented a documentary film which included the recent Los Angeles riots and revealed methodical infiltration and agitation by communists. The film is being shown to civic, business and labor groups.

TACT's motto is "Civil Rights without Civil Turmoil."

The club meets every third Monday evening and welcomes all interested Republicans be-

lievers of business firms, between 13 and 40. Retirement and get-acquainted period is between 7:30 and 8 p.m.

Read Isaiah 60: 1-4; Acts 4: 1-13

Arise, shine; for thy light is come, and the glory of the Lord is risen upon thee. (Isaiah 60:1) A challenge has come to the Christian church from the resurgence of religions in the world.

As Christians, it is our conviction that Christ is the author of peace and that Christianity is a religion of peace. The Christian church of God's agency to bring peace into the world. In this age of atom bombs, an age when we are threatened with war and total destruction of mankind, the church needs to exert its power for peace. The church is the body of Christ, and He is the author of peace.

What is the Christian church doing today? Is it sleeping, fading into darkness? In Isaiah we hear a trumpet call: "Arise, shine." This is a great time for the church to heed this call for revival, for resurgence of faith vital for all mankind's highest and best interests.

**Prayer:** O Lord, let Thy light shine and Thy glory come into Thy church. May it awaken from its lethargy, and from the enveloping darkness come into Thy light. Grant us Thy grace and power that we may be able to make Thy church the source of peace in the world of war and strife. In the name of Jesus, who taught us to pray, "Our Father who art in heaven . . . Amen."

**Thought for the Day:** The awakened church can shine through strife and gloom to bring lasting peace.

# This Sunday

The Lord promised His church that "where two or three are gathered together in His name, there He would be in the midst of them." When we turn our backs upon His church we turn our backs upon Him and we miss the blessings of His own personal fellowship. Don't just "go to church each Lord's Day." Be a part of His church every day of the week.

## Hobo Party Planned At Vista La Mesa

Contrary to popular opinion some hobos do plan ahead, according to Mrs. D. C. Childers, Chairman of both the Founders Day and Honorary Life Committees for Vista La Mesa PTA.

Mrs. Childers, who lives at 3636 Nassau Dr. in San Diego, and her committees have planned a hobo party for the event, Feb. 10th at the Vista La Mesa Cafeteria. Appropriate invitations have been sent to all past presidents of VLM PTA and past recipients of Honorary Life Awards.

A skit will be presented with the characters as hobos. The new hobo who joins the group will be the person chosen to receive the Honorary Life Award this year. A silver offering will be accepted from parents and friends at the meeting.

The silver offering is earmarked for the extension of PTA work. Half the money goes to the national organization, one fourth to the state unit, and one fourth to the 9th District to assist new units and strengthen the local program.

## Jr. High PTA Meets Tonight

The Lemon Grove Junior High School PTA will meet tonight at 7:30 in the school auditorium. Mrs. E. M. Villarino, president, will conduct a short business meeting followed by group discussions on teen-age dress, supervision of out-of-school activities, and student attitudes about respect for adult imposed rules.

Colors will be posted by Girl Scout Troop 73, Mrs. F. A. Simpson, leader. Hostesses for the evening's refreshments will be Mrs. V. Taddeo, Mrs. E. Burgard, Mrs. F. Duffy, and Mrs. B. Kintz.

## how free are you?

Everybody is harnessed to something — driven by an idea, or the concept of life he holds. If it gives you a glimpse of God, then your harness is Truth, and it guides to the only freedom and fulfillment man can know. A famous poet once called it "Riding Easy in the Harness" — and this is the title of a public lecture by THOMAS A. McCLAIN, member of the Board of Lecturers of The First Church of Christ, Scientist, in Boston, Mass.

## Utt To Seek Eighth Term

Congressman James B. Utt (R-35th) has confirmed that he will seek his eighth consecutive term in the U. S. House of Representatives.

The veteran lawmaker represents some 800,000 constituents in the 35th Congressional District. His sprawling district—the fastest growing in the nation—extends from the Los Angeles County line to the Mexican border covering most of Orange and San Diego Counties.

## Fire District Election Set

An election will be held April 5 in the Lemon Grove Fire Protection District for one seat on the board of directors.

The term of Director Wardwell will expire at that time. He was appointed by the two other members of the board to fill the unexpired term of Tom Parsons, who moved from the district last year.

Candidates may file nomination papers until 12 noon Feb. 10, according to V. J. Dorman, District Counsel.

Other directors are Parker Shumate and John Hall.

### Panel Discussion

A panel discussion on compensatory education will be the program for the next general meeting of the Ninth District, California Congress of Parents and Teachers, at 9:30 a.m. Jan. 24 at the Mar Vista High School, 505 Elm St., Imperial Beach.

## Mid-Winter Concert Scheduled At Grossmont College Sunday

Grossmont College Music Department will present its Annual Mid-Winter Concert in the Student Center Sunday.

The program will begin with the College Concert Band, under the direction of Dr. Robert A. Emile, playing the "Camdano March" by Samuel Barber, followed by Leonard Bernstein's "Overture to Candide" and "Festiva" by Clifton Williams.

The program will continue with the College Concert Choir, led by Carroll Reed, Chairman of the College's Music Department, singing six selections, leading off with "O Sing Unto the Lord" and concluding with

the Suban folk song "In Stiller Nacht."

After an intermission, Dr. Emile will direct the College Community Orchestra in the "Pinochio Overture" and "Tocata."

The program will conclude with the orchestra and choir joining soloists Barbara Smith, soprano; Eugene Bauer, tenor; and John Duitsman, bass in Bach's Cantata No. 140, "Sleepers Awake."

There is no admission charge for this musical presentation that will start at 3 p.m. on the college's Fletcher Hills campus.

## Escondido Man In Assembly Race

Arthur E. Hill, a North San Diego County insurance and real estate executive, has declared himself a candidate for the 80th Assembly District.

Hill, 48, who has been a life-long Republican, stated that "the party needs a leader to fill the recently vacated seat in the 80th Assembly District. I feel I am ably qualified to fill this post."

The Air Corps veteran, whose family moved to the Los Angeles area when he was seven years old, has been in the insurance and real estate business in Escondido since 1956. He was educated in Beverly Hills and attended Utah State College.

A member of St. Mary's Church in Escondido, he lives at 106 North Caroline Way with his wife, Lucille, and four sons, Geoffrey, 10, Timothy, 8, Kevin, 6, and Brian, 5.

## Money Management

By Harold R. Glaeser

According to a recent survey of estates of people dying in the United States, 85% of the estate value is represented by the proceeds of Life Insurance policies.

Ladies, have you sat down with your husband and reviewed his life insurance? Social Security benefits for the widow and children can be lost if you haven't planned your affairs to allow the mother to stay home instead of working. A little time spent in serious discussion now can save years of strife in the future. One case crossed my desk recently where the man was married ten years and never changed the beneficiaries on his policy from his mother to his wife. The insurance company had to pay the mother \$10,000, the family received nothing.

Direct your specific question to Mr. Glaeser in care of this newspaper.

## American Airlines To Apply For Flights

The board chairman of American Airlines has promised Rep. Lionel Van Deerlin (D-S. D.) that direct non-stop flights from San Diego to Hawaii will be initiated by American Airlines virtually as soon as the company's application is approved.

On Jan. 7, Van Deerlin appealed to G. Marion Sadler, AA board chairman, to include the San Diego-Hawaii leg in the company's new application to the Civil Aeronautics Board for routes to the Orient.

CAB Rejection  
"As you know," Van Deerlin wrote, "a long-standing application by Western Air Lines to provide such service is presently before the courts, after its rejection by the CAB. As a representative of metropolitan San Diego, and a member of the House Committee on Interstate and Foreign Commerce, my first interest is to see fulfillment of San Diego's hopes for direct westward service."

If Western Air Lines fails in its bid, my community will throw its support behind any

other application by a major carrier to provide that service, and we shall probably be wary of any expansion in present Oriental routings if they fail to meet San Diego's need."

Reply By Sadler  
Sadler's reply to Van Deerlin was, in part:

"While it is obvious that through and non-stop service cannot immediately be provided from all of the points that American Airlines serves, it is our intention, if our application is approved, to provide non-stop service from San Diego to the Hawaiian Islands almost immediately."

I cannot, of course, quote actual schedules in a matter which is this far in the future, but our present plan is that we will provide immediate non-stop service to Hawaii from San Diego."

Van Deerlin assured San Diegans that he will give the closest attention to the content and progress of the American Airlines application as it goes through the CAB examination process.

At present, Santana is at the bottom of the league standings with a 1-4 loop mark. However, overall the Sultans are 12-7, compiling one of the better records compiled by Grossmont League clubs.

The Monarch-Sultan contest will start at 8 p.m., preceded by a junior varsity encounter.

This coming Tuesday, Monte Vista will lock horns with rival Mount Miguel on the Matador floor. That game will start at 3 p.m.

**Money Apportioned**  
A total of \$14,641.194 has been apportioned among California's cities and counties from State motor vehicle license fees, State Controller Alan Cranston has reported.

This is the first of three apportionments to be made during the 1965-66 fiscal year. It is revenue from fees collected from June 1 to Nov. 30, 1965. Apportionments in April and June will be larger.

## 'Beat The Pro' Charity Golf Competition Set

The March of Dimes and Heart Fund will combine their efforts for a two-weekend "Beat the Pro" charity golf competition, it has been announced.

Joint announcements were made by Tom Prendergast, campaign chairman for the March of Dimes, and Frank Alessio, Sr., special events chairman for the Heart Fund.

Amateur golfers in San Diego County will have an opportunity to challenge the score of a prominent local professional made during a national tournament next month, the co-chairmen reported.

Some 49 courses have been challenging men and women first combined event and the invited to participate in this golfers will tee off Jan. 28, 29, 30 and Feb. 4, 5, and 6. Mrs. A. S. (Lou) Smith will coordinate the county-wide program.

A luncheon at the Stardust Country Club, Jan. 24, will kick-off this "once-a-year" golfers' charity event.

Trophies will be awarded to the low scorers at each club, based on handicaps. Women will be allowed an additional 10 strokes off their regular handicaps and men will be given five more in the "Beat the Pro" competition.

In addition to the many trophies, plaques will be awarded to the 18-hole and nine-hole courses with the largest return of receipts.

Golfers will be asked to donate \$1 per round. Extra fund activity is scheduled for selected par three holes on the courses.

The event is co-sponsored by the La Mesa Collegians Baseball Club and the Helix High School Letterman's Club.**

## GB Bowler Hits '300'

The House of Draught entry in the Golden Comanche Warriors league at Golden Bowl Lanes must be wondering what it takes to be a winner.

Last Friday, one of the team's members, Gail Davis, rolled a 681 series, including the first perfect 300 game ever in that bowl's history.

However, the House of Draught lost to Andy's Famous Sandwiches, 940-905.

The former record at Golden Bowl for one game was a 299. A 298 had also been achieved.

Here are the standings at Golden Bowl as of Monday.

**Golden Nuggets:** 1. Pacificos 42½-25½; 2. Sandbaggers 41-27.

**City Boasts Best Scorer**  
Coach Bill Gillespie's Grossmont College cagers will have another tough assignment this Saturday evening when they battle the San Diego City College Knights in an 8:15 p.m.

**Griffs Win**  
Grossmont met City College, one of the stronger Pacific Southwest Conference teams, earlier in the season and came out on top, 66-64. That game was non-conference, however, giving the Griffs third place in the Palomar Invitational Tournament.

City College is sparked by forward Elbert Miller, the conference's leading scorer.

**Title Winner**  
Miller, who led City to the Metropolitan Conference championship two years ago, is averaging over 26 points per game. He also is one of the better rebounders in the conference.

Other notables in the City College cast are guard Dick Dowling, a former all-CIF performer, forward Connie Seymour, guard Gary Hoffman and center Richard Mills.

**Counter Punch**  
Gillespie will counter with his one-two punch at guard, Paul Landis and Dan Roberson, and forward Steve Howe.

Landis is the second best

**Griffs Test Knights In Conference Match**

scorer among PSC athletes, averaging 22.7 points per game.

Roberson, one of the leading playmakers in the conference, is near the double figures average per game.

Howe ranks 10th in overall scoring and eighth in conference tabulations. He has a 13.8 scoring average for the season.

Center Tom Dobransky and forward Tay Finney are the other members of the Griffs' starting five.

Prior to the Southwestern game, Grossmont was 3-1 in PSC action to knot City for second place behind front-running Imperial Valley.

The latter club is undefeated for the year and just might stay that way if PSC teams don't put up any more of a battle than they did in the first round.

# Hillers Edge Miguel, 60-58

Grossmont High's Foothillers rallied to outscore Mount Miguel, 18-12, in the last period of a Grossmont League prep cage contest Tuesday to defeat the Matadors, 60-58.

The Matadors were on top from the start but couldn't hold a two basket lead in the final frame.

**Schweer Scores**  
Larry Schweer, a senior guard, hit the shot that ruined the Matadors' chance to tie Grossmont for second-place in the loop standings.

Schweer connected with a jump shot from 20 feet away to break a 58-58 tie with 14 seconds remaining. Foothiller forward Russ Sande had tied the game at 58-58 with a little over a minute left on the clock.

**Tied For Third**  
Mount Miguel now rests in a five-way tie for third place in the loop with a 2-3 mark. Other teams possessing that record are Monte Vista, El Capitan, El Cajon and Granite Hills.

The scoring leader for Mount Miguel was Ken Patterson with 17. Pat Elia had 13 and Steve Scarsburgh 12 for the Matadors. They were aided by eight points each by Mike Elia and Oscar Chavez.

**Outscores Grossmont**  
Miguel outscored Grossmont 15-14 in the first period and 19-13

## Close Scores Highlight Hoop Play

Teams in the Spring Valley Youth Basketball League should be fairly evenly matched this year if the first game scores are any indication.

In last Saturday's opening contests, the Kiwanis defeated the Lions 27-25 and the Reds topped the Bears 23-21.

Kiwanis was led by Guy Brunson, who piled up 12 points for his club.

The Reds were topped by Jerry Bailey's 15 points.

This Saturday the Reds will play Rotary while the Bears take on the Lions. The Reds-Rotary contest will be at 10 a.m. in the Mount Miguel High gym with the latter contest following.

Joe Purma, the Hillers' tallest player at 6-3½, was the game's top scorer with 21 points. Schweer had 18.

**Host Braves**  
The Matadors will be at home Friday evening against El Cajon High at 8 p.m.

El Cajon nipped Santana, 56-55, in Tuesday's action.

Next Tuesday, the Matadors and Monte Vista Monarchs will battle at 3 p.m. on the Matador boards.

## WHAT'S DOING?

Here's how to save money on your Long Distance calls. Call station-to-station, in the evening or on weekends, and you can say a lot more for your money. Before you pick up the phone, it's a good idea to make a few notes about what you want to say. That way you won't forget anything. Remember, long distance rates are lowest every night and all day Sunday. You'll find the exact times for most economical calling in the front pages of your telephone directory.

I know elephant jokes are no longer in style, but here's a tale that's supposedly true. Calls from this country to Capetown, South Africa, had a hard time getting through, thanks to some African elephants. It seems the elephants were using telephone poles as back-scratchers, causing so much interference with their scratching that callers from the U.S. couldn't be heard.

## EXCISE TAX CUT BENEFITS OUR CUSTOMERS

On the phone bill mailed to you this month, you'll notice that the 10% Federal Excise Tax on telephone service has been reduced to 3%, in accordance with the Excise Tax Reduction bill passed by Congress last year. and, by 1969, the tax will be eliminated completely. Thanks to legislators like Congressman James B. Utt, 35th District, Bob Wilson, 36th District and Lionel Van Deerlin, 37th District who voted to repeal the tax, Pacific Telephone customers in their congressional districts will save an estimated \$6,468,000 on their phone bills this year. We are pleased that you, the customer, are getting the full benefit of this tax reduction.

## Scuba Divers Aid Emphysema Victims

Scuba diving enthusiasts have inspired a medical investigation which shows promises of providing relief for victims of emphysema, Dr. Amorita Treganza, Lemon Grove-Spring Valley area chairman of the Tuberculosis and Health Association of San Diego County, reported yesterday.

Local Christmas Seal contributions are helping to support an experiment in the use of pressures similar to those experienced by divers using self contained underwater breathing apparatus (SCUBA) as treatment for the obstructive lung disease, Dr. Treganza said.

A medical technician's observation that SCUBA divers with emphysema and asthma appeared to "benefit" from their dives led to research now underway at the Hospital of the Good Samaritan, Los Angeles.

There, with the help of a chamber that simulates underwater pressures and 16 volunteer emphysema patients, Dr.

R. L. Yanda is trying to find out why. As the patient's move about in the chamber, a medical research team measures their breathing efficiency and lung volume.

"Dr. Yanda believes that improvements in breathing are caused by a redistribution of air within the chest cavity while the patient is in the chamber," Dr. Treganza said.

She said she understood that lung function measurements are only one clue to the extent of emphysema in the lungs and warned against over-optimism in the use of simulated sea pressures as treatment. However, the researchers' term results thus far as "promising."

Dr. Treganza noted Christmas Seal contributions support medical research in tuberculosis, emphysema, asthma, chronic bronchitis, and other lung diseases.

He urged those who have not yet responded to their Christmas Seal appeal to do so.

## Grove Man Appointed As Recruiter

Andy Borg of Superior, Wis., Commander-in-Chief of the Veterans of Foreign Wars of the United States, has announced the appointment of James L. Smith, 1569 Primera St., Lemon Grove, as National Aide-de-Camp, Recruiting Class, VFW.

In making the announcement, Commander-in-Chief Borg said: "The VFW is writing an ever-lengthening record of accomplishment in preserving and liberalizing veterans' benefits, inspiring attitudes of good citizenship among the nation's youth and bettering our communities. None of this would be possible without a dynamic membership program led by such men as Mr. Smith. His efforts should be considered a direct service, not only to the VFW, but to his community, state and nation as well."

The San Diego Padres will open pre-season workouts, March 12, at Dunedin, Florida. General Manager Eddie Leishman announced recently.

**MARRIED** — The former Bonnie Grace, daughter of Mr. and Mrs. Pat Grace of 5036 College Gardens Ct., became a bride Dec. 11, her parents revealed during the holidays. She became the bride of Sgt. Delbert A. Grimes Jr., son of Mr. and Mrs. D. A. Grimes, Sr. of San Diego in a ceremony at Wedding Bell Chapel. The new Mrs. Grimes' father is the Lemon Grove Ford agency proprietor and a civic leader. Sgt. Grimes is stationed at JFK Special Warfare Center at Ft. Bragg, N. Carolina and is attending engineering and demolition school. Mrs. Grimes attended Kelsey Jennings College. She will join her husband at Ft. Bragg sometime in February.

## Early Newspaper To Be Rebuilt By Publishers

The reconstruction of the Columbia Gazette, pioneer newspaper started during California's Gold Rush, is scheduled for completion in May.

The completion date was announced by state officials when they gathered with representatives of the California Newspaper Publishers Association at Columbia State Park in Tuolumne County for a ground breaking ceremony to start the project earlier this month.

Reconstruction of the two-story structure is a joint project of the two groups. In a statewide fund campaign directed by James A. Wood, assistant general manager of Peninsula Newspapers, Inc., CNPA raised \$12,500 to match a state appropriation. The state has since added another \$8,000 to make a total of \$33,000 available for the project.

The traditional turning of the first soil took place on a site between two other reconstructed landmarks in the living Gold Rush community — The Fallon House Theater and the Eagle Cottage (sic).

Representing CNPA was its president, Jack Craemer, of the San Rafael Independent Journal, Fund Drive Chairman Wood,

Harvey C. McGee, publisher of the nearby Sonora Daily Union Democrat, and Donald I. Segerstrom, of Sonora, credited with first proposing the reconstruction effort as a CNPA project.

Representing the state were Fred Jones, director, California Department of Parks and Recreation; State Senator Stephen Teale, of West Point; Orvel Johnson, reconstruction expert with the division of architecture; Buck Nelson, division of architecture supervisor at Columbia; Clyde Newlin of Stockton, district supervisor for beaches and parks, and Neal Power, Columbia Park Superintendent.

Plans call for a two-story structure with the upper floor at street level — housing the pioneer newspaper plant, authentic in design, equipment, and furnishings. Antique printing equipment will be displayed in a museum on the lower floor.

## Guest Speaker For St. Philip's

A seminarian from the Church Divinity School of the Pacific, Berkeley, will preach Sunday at St. Philip's Episcopal Church, the Rev. J. Phillip Bartlett announced recently.

The guest preacher, Paul Pomeroy Stewart of Orinda, Calif., is a mid-level at the seminary. He was invited by the local church so that the congregation can hear first-hand of the work being done at the West Coast seminary.

St. Philip's will elect officers for 1966 at a meeting Monday, beginning with dessert and coffee at 7 p.m.

The Rev. Charles L. Conder, Dean of the San Diego Convocation, will preside over the elections.

This year for the first time, St. Philip's Mission will attempt self-support and if successful, will become a Parish in two years, according to Rev. Bartlett.

Alan Cranston

## A. Cranston To Bid For Re-election

State Controller Alan Cranston has formally announced his candidacy for re-election in 1966.

Cranston, a former Stanford quarter-mile runner who runs a mile a day to "keep in shape", has listed four reasons for his decision to seek re-election.

They are: "The next four years will be an exciting and challenging period for California and its leadership"; "I like the work"; "It's an important job"; and "I think I've done a good job."

Cranston stated definitely that he is not considering a race for Governor, Lt. Governor or "Sheriff of Alpine County."

## Juvenile Citations Show Increase For '65

A review of the work of the San Diego County Juvenile Court Traffic Division shows a total of 24,910 citations was received in 1965, compared to 23,970 for 1964, an increase of 940, according to a report by Bernard S. Schwartz, Supervising Traffic Hearing Officer.

A total of 18,493 individual hearings was conducted during the course of the year, during which 3,179 licenses were suspended, 1,486 restricted and 874 individuals assigned to Driver Improvement School. In addition, 1,718 citations were referred to other counties for handling.

### Fines Assessed

A total of \$19,355 was assessed during 1965 by the Traffic Hearing Officers.

## Jaycees Announce Entry Deadline

The San Diego Junior Chamber of Commerce has announced Feb. 10 as closing date for entries in the 1966 Miss San Diego Pageant.

The pageant, which will start with orientation for entrants Feb. 12 and preliminary competition Feb. 20, will end March 19 at Civic Theatre when San Diego's entrant in the Miss California contest is selected.

Competition is open to girls 18 to 28, single who have never been married. They must be a resident of the County for at least six months prior to entering or can be a student at one of the area institutions.

Outstanding activities for 1965 were the institution of Juvenile Traffic hearings at the Vista County Regional Offices to serve North County residents and the beginning of a Driver Improvement School for teenage drivers in the North County.

### Total Listed

December, 1965, showed a total of 2,006 citations received by the Juvenile Traffic Court during the month, compared to 1,798 during December, 1964.

Citations were received from enforcement agencies, as follows: San Diego—1,309; Coronado—13; National City—33; Imperial Beach—14; El Cajon—38; Chula Vista—59; CHP North—121; CHP South—198; Ocean-side—36; Escondido—43; La Mesa—51; Carlsbad—3; Sheriff—46; and other jurisdictions—42.

### No Special Changes

Bernard S. Schwartz, Supervising Traffic Hearing Officer, noted that no special changes in the Juvenile Traffic Court program are anticipated for 1966, but that every effort would be made to continue a program of dealing firmly and fairly with each alleged traffic violator to an end of helping the individual to better understand traffic laws and his responsibilities to the community.

### Orders Given

Two orders worth more than \$6 million to build ducting components for the boundary layer control system on the F4 Phantom II have been given to Solar, a division of International Harvester Company, it was announced today.

**SAFETY CAMPAIGN** — Pacific Telephone Lineman Fred Fowler applies a National Safety Council bumper sticker to his company truck in honor of Safety Action Week. The special week will end Friday.

## PacTel Conducts War On Accidents

The nearly 40,000 employees of Pacific Telephone in Southern California are sporting special safety bumper stickers and several buildings in Los Angeles, Pasadena and San Diego have had windows lit at night in the form of a cross.

The crosses represent the green cross used to symbolize safety by the National Safety Council.

Another feature of the war on accidents has been green cross lapel pins which were distributed to all telephone employees.

Special short on-the-job safety discussions are being held daily during the campaign.

## New Record Established

# December Employment Tops Seven Million

Last month was the first December the number of employed Californians topped the seven million mark, and it was the fourth consecutive month that unemployment was below the year-ago level.

This report on the labor force situation at year's end was released recently by the departments of Industrial Relations and Employment.

Total civilian employment reached a December record of 7,004,000, up by 272,000, or 4.0 percent from a year ago, according to Ernest B. Webb, director of industrial relations. Webb pointed out that this gain of 272,000 reflected a widening of the margin of over-the-year growth evident since the early

months of 1965, when the rise from the year-ago level averaged about 160,000.

### Increase Distributed

The December-to-December increase was distributed throughout the economy, with all major industry groups participating except agriculture. Largest rises were in government, services, and manufacturing—industries that experienced steady expansion throughout 1965. Within manufacturing, the durable goods industries—led by aircraft and electronics—contributed close to 85 percent of the new jobs.

Between November and December, acceleration of seasonal activities boosted employment by 55,000. Retail trade posted

the main increase as stores added temporary workers to serve holiday shoppers. The upswing in government resulted mainly from additions to post office staffs during the holidays.

### Smaller Reductions

Over-the-month cutbacks in agriculture, construction, and manufacturing also stemmed from seasonal influences. The reduction in factory employment, however, was smaller than usual between these months.

Among manufacturing groups, continued expansion in the space-related industries offset some of the seasonal contraction in such categories as food processing and lumber. As 1965 waned, the aerospace complex had recouped more than half of the jobs lost during its two-year downturn in employment that ended early in 1963.

### Improvement Reflected

Unemployment totaled 411,000 in December, 12,000 less than a year ago, Albert B. Tieburg, director of employment, announced. Tieburg noted that the December figure continued to reflect improvement in the state's unemployment picture. For the fourth consecutive month, the number of jobless was lower than in the same month of 1964.

Between November and December, the jobless count rose seasonally by 17,000. Most of this rise was associated with the advancing winter season as rains and snows curtailed outdoor work.

### Lower Rate

The seasonally adjusted unemployment rate, at 5.7 percent in December, was substantially lower than the 6.1 percent rate for December a year ago, and very close to the five and one-half year low of 5.6 percent set in November.

The California civilian labor force, consisting of the employed and the unemployed available for work and seeking work, totaled 7,415,000 in December, compared with 7,155,000 in December, 1964.

## San Diego Public Health Dept. Says A-Okay On Seafood Crystals

The San Diego Department of Public Health has reported that laboratory tests on crystals in canned seafood have proved that the crystals were harmless and not any cause for alarm.

Dr. J. B. Askew, director of public health, said the tests were made after complaints were received from persons who thought they had found particles of glass in canned tuna.

He said that crystals resemble

ling glass particles sometimes form in sea food when it is heated or sterilized. "Actually, what happens," he explained, "is that minerals that are natural and normal constituents of all fish or shell fish crystallize out, in much the same way that sugar crystals are formed in candy or syrup."

The crystals, he added, are no harder than ordinary table salt and can be easily scratched and crushed to a powder with the thumbnail. They will also dissolve in a few minutes when stirred in warm vinegar or lemon juice and water.

"The crystals are dissolved just as readily when eaten," Dr. Askew said, "and are assimilated as easily as the mineral matter of any foods."

The crystals are sometimes formed in shrimp, tuna, salmon, crabmeat, lobster, and other canned sea food. The sea food industry calls the crystals "struvite."

"We want to advise people that the product is not only safe, but the struvite crystals are made up of minerals that are valuable food elements," Dr. Askew went on. "Sea food, both fresh and canned, is a valuable addition to our diet."

## Watch Out For Flashing Lights Motorists Told

Watch for the flashing red lights when you approach a school bus that has stopped. Motorists traveling in either direction are required to stop when they see these flashing red signals, according to the California Highway Patrol.

CHP Commissioner Bradford M. Crittenden points out that the school bus driver must activate the flashing red lights when he stops to load and unload children who must cross a highway to and from the bus.

"Bus drivers are required by law to escort boys and girls across the street before boarding or after leaving their bus. Activation of the flashing red lights is not required when the bus stops for children who do not cross the roadway," the Commissioner stated.

Motorists traveling along a divided highway need not stop for the flashing red light if they are traveling in a direction opposite to that of the bus.

## U.S. Natl. Bank Ups Dividend

SAN DIEGO—United States National Bank directors declared a 1.856% stock dividend in addition to the regular quarterly cash dividend of 25c per share. The stock dividend is subject to approval of the Comptroller of the Currency. The cash dividend is payable Feb. 28, 1966, to shareholders of record Feb. 16, 1966.

The stock dividend increases the Bank's total outstanding shares from 898,328 by 16,672 to 915,000. Shareholders as of date of record March 4 will receive 1 new share for 53 shares held.

The dividend action made this United States National's 29th quarterly 25c cash dividend payment since 1958.

## Examination For Nominee To Calif. Maritime Academy Set

Jack Schrade, State Senator, representing the 40th Senatorial District, announces an examination for young men in his district to become his nominee for admission to the California Maritime Academy in August. The examination will be held at Hoover High School, Bungalow 2, in San Diego April 4. There are no fees for this examination. The candidate may also take the college entrance examination board scholastic aptitude test (SAT) concerning which his school counselor can provide information. A candidate taking the SAT examination should request that a copy of the test results be sent to the academy for evaluation and notify the academy of his home address.

**Highest Score**  
The applicant with highest passing score on the test will become the nominee of Senator Schrade. Others with passing scores may be admitted if vacancies in the quota for the entering class exist. There is no provision for financial assistance to nominees.

Under the provisions of the California Senate Concurrent Resolution No. 81 of 1955, each state senator and each state assemblyman representing an even-numbered district in a year nominate a young man from his district for admission to the academy in 1966. Other candidates who meet the necessary qualifications may be admitted by direct application to the academy.

**State Operated**  
The state-operated California Maritime Academy is located on Carquinez Straits, Vallejo, northeast of San Francisco Bay. The academy program provides, in three years, approximately the same education as a four-year college. The graduate receives a Bachelor of Science degree,

either in nautical science or in marine engineering and is licensed by the U. S. Coast Guard as an officer for service aboard U. S. merchant ships. Those who are physically and otherwise qualified are eligible for commissions in the U. S. Naval Reserve. Students must pay certain fees which include room and board, their textbooks and uniforms.

To be eligible for admission, an applicant must, at the time of admission on Aug. 8 be a high school graduate, unmarried, 17 years of age but not yet 22, and meet certain physical and mental requirements.

Those interested should contact Senator Schrade's office at 1350 Front St., San Diego, 92101 as early as possible.

Further information may be obtained by writing to: The Dean, California Maritime Academy, Vallejo, Calif. 94591.

## U.S. Coast Guard Seeks College Graduates

The U. S. Coast Guard is seeking college graduates for its February 1966 class at the Officer Candidate School, Coast Guard Reserve Training Center, Yorktown, Va.

Successful candidates will be commissioned as Ensigns in the Coast Guard Reserve upon graduation. They will be required to complete three years on active duty after receiving their commissions.

To qualify, the men must be between 21 and 26 years of age and must be college graduates or seniors who will graduate before Feb. 13, 1966.

ceive 17 weeks of intensive, highly specialized training in navigation, seamanship, gunnery, damage control, anti-submarine warfare and other subjects.

In addition graduates will be eligible for flight training. The newly commissioned ensigns will join the 3,000 Coast Guard officers who serve worldwide in a variety of interesting duties. These duties include oceanography, search and rescue, law enforcement, and merchant marine safety.

For complete information write Commandant (PTP-2), U. S. Coast Guard, Washington, D. C., 20226.

M/SGT. WILLIAMS

Master Sergeant Frederick G. Williams, son of Mr. and Mrs. Frederick G. Williams of 8779 Washington St., La Mesa, has retired from the U. S. Air Force at Langley AFB, Va., after 20 years service.

Sergeant Williams was a C-130 Hercules flight engineer at Langley prior to his retirement. The sergeant, who attended Grossmont High School, is a veteran of the Korean War.

Sergeant Williams and his wife, Carol, daughter of Mr. and Mrs. John H. Doering Sr. of Rt. 4, De Funiak Springs, Fla., plan to make their home in Southern California.

### Navy Commander Moore

Navy Commander James I. Moore, son of Mrs. Olga E. Moore of 7695 Canton Dr., Lemon Grove, returned to San Diego recently aboard the guided missile light cruiser USS Galveston, after nearly seven months with the Seventh Fleet in the South China Sea off the coast of Viet Nam.

While operating off the coast of Viet Nam, the Galveston hit Viet Cong targets with more than 4,600 rounds from her five and six-inch guns in support of friendly forces. In early July, she fired her first shot in anger during search and destroy operations near Chu Lai.

In August, her guns "counted heavily" in the first major U. S. victory in the Viet Nam war. The three-pronged air-sea-land assault, named Operation "Starlight", trapped and decimated the crack 1st Viet Cong Regiment at Van Tuong Peninsula, a few minutes of Chu Lai, South Viet Nam.

The Galveston often operated with the carrier strike force, where her "Talos" anti-aircraft gave the force an added deterrent against possible enemy air attacks. She also participated in search and rescue operations deep in the Tonkin Gulf, and acted as an anti-air warfare control vessel.

### PARNELL PROMOTED

Machine Accountant First Class Thomas M. Parnell, USN, son of William H. Parnell of 1403 LaCorta Circle, Lemon Grove, and husband of the former Miss Audra F. Doran of Lakeside, was promoted to his present rate while serving aboard the refrigerated stores ship USS Regal, operating out of Norfolk, Va.

His promotion was based on time in service and rate, military appearance, performance of duties and passing the Navy-wide test for promotion.

A graduate of El Capitan High School in Lakeside, Parnell entered the Navy in July 1961.
